November 2017

Monthly Meeting—Thursday November 16th

Our monthly meeting will be from Dr. Jasyn Haney and he will review with the group the details of the Basic Med that enables pilots to fly in certain cases without having to acquire a 3rd class medical. Also, this will be our annual meeting for elections. You must be present to vote. The excitement starts at 7PM at the Sherman Municipal Airport Terminal.

EAA Ford TriMotor makes a stop in North Texas!

Our Ford Tri-motor tour is in the books. The Nov 2-5 weekend was a success! We managed to get 29 flights up in spite of the wind and fog. Many thanks to all who volunteered. Everyone was on time, and many worked their shift and then hung around to help the next shift. The crew from EAA was great, and they were pleased with our chapter. Well done EAA 323!
